Dear parent/carer,

### Flexible study leave for Year 13 Health and Social Care students

I am writing to inform you about the arrangements that will be in place for Year 13 Health and Social Care students over the next two weeks.

Owing to the number of external exams which they are taking, Year 13 Health and Social Care students are being given flexible study leave to support them with their revision.

The arrangements are as follows:

- Flexible study leave applies to Y13 HSC students only.
- Study leave arrangements will be in place between today (Monday 6<sup>th</sup> January) and the end of the day on Friday 17<sup>th</sup> January.
- During this period of time, Y13 HSC students are not required to attend registration, Independent Study or English/maths resit lessons.
- During study leave, students may attend timetabled HSC lessons in order to do revision with their teachers, who will be available during these times to work with students.
- All students who study A-levels must still attend A-level lessons unless they are in an exam.
- Students who are on study leave must sign in when they arrive in the building and sign out when they leave.

If you have any questions about these arrangements, please do not hesitate to contact the school. Thank you for all your ongoing support.

Yours sincerely,

Dr K Vincent  
Principal
