Mobile phones

We have a no-mobile-phone policy. This means that students are not permitted to use their phones at any time within the school building.

We believe it is important for students to have time away from their phone, so that they can focus on their studies.

If you choose to bring a phone to school, it must remain in your bag or locker and it must be switched off at all times.

If your phone is seen or heard by a member of staff at any time within the school building, it will be confiscated for 24 hours.

You should aim to arrive at school at 8.30am every day.
