Dear parent/carer,

I am pleased to be able to let you know that the school is running an additional study programme for Year 11 and Year 13 students over the Easter holidays.

This study programme involves targeted sessions for particular students, aimed at ensuring they achieve the best possible grades in their final assessments. As you will be aware, examinations will not be taking place as usual this summer. The Easter holiday sessions will therefore focus on giving students an opportunity to complete coursework and helping to address any gaps in learning that have arisen as a result of school closure.

Please find the details of the sessions that will be running as part of this programme below. Students will receive a separate letter from Directors of Learning with information regarding the sessions they are required to attend. Sessions will run from 9am-1pm with a break at 11am. Students will be provided with refreshments during the break time.
