

Friday 9<sup>th</sup> July 2021

Dear parents and carers,

### **Return of laptops loaned to students during the lockdown period**

Over the lockdown period, Mulberry UTC provided your child with a laptop to enable them to access lessons online until the end of the school year.

The software on these laptops will expire shortly and must be updated within the school building. If this is not completed, the laptops will stop working.

Please could you therefore arrange to return the laptop and charger as soon as possible. We will update the laptops over the summer, so that they can then be used again next term. You can return a laptop to our reception team, or they may be handed in to any teacher.

Thank you in advance for your time. Should you have any questions, please do not hesitate to contact me at the school.

Yours sincerely,

Mr C Griffiths

**Director of Digital Learning**
